areas are costing. So I support the study that I...I believe that the Government Affairs Committee is going to do, but the bill will be back and I will be trying in January, hopefully the bill will be out of committee with a satisfactory solution, but if not I'm going to continue to work for a satisfactory solution. And with that, Mr. Speaker, I'd ask permission to withdraw my proposal.

SPEAKER WITHEM: It is withdrawn. No permission necessary. It is withdrawn. We'll then proceed to the next item, the two legislative resolutions, one by Senator Jones and one by Senator Hartnett, that will be addressed as...together, as a group. Senator Jones, you're recognized on LR 102. (LR 102 appears on page 1927 of the Legislative Journal.)

SENATOR JONES: Mr. President and members of the body, this resolution was the 100th anniversary of the Chi Phi Fraternity on the UNL campus. The fraternity was founded on May 9, 1895, as Alpha Theta Chi Fraternity. After 37 years later, Alpha Theta Chi affiliated with Chi Phi Fraternity. With that, I would like to ask your support with this resolution. Thank you.

SPEAKER WITHEM: Thank you, Senator Jones. Senator Hartnett, on your resolution. Senator Hartnett, I'm sorry, he's not here. We will pass over that resolution. Senator Brown.

SENATOR BROWN: Senator Withem, members of the Legislature, I have been asked to introduce (inaudible).

SPEAKER WITHEM: That's fine, go right ahead. (LR 103 appears on pages 1953-54 of the Legislative Journal.)

SENATOR BROWN: This resolution is to honor the municipal clerks of our...the cities in our state. The municipal clerks are the oldest of our public service...servants and the week of May 7th through the 13th is Municipal Clerks Week and I would urge your adoption of the resolution. Thank you.

SPEAKER WITHEM: Thank you, Senator Brown. Individuals wishing
